

CVBC Earn-A-Bike Program Application

The Earn-A-Bike program is designed to help individuals obtain an entry level bicycle, acquire basic maintenance and care skills, and enjoy the world of cycling, whether for recreation, alternative transportation or both.

Graduates from the program will receive a bicycle fitted for their size, type of bicycling as well as a helmet, lighting system, lock system and basic tire repair kit. Participants are required to complete 20 hours of training and volunteer experience over a seven-week period, during which time you will learn basic care and maintenance skills, bicycling safety tips, area cycling opportunities and other resources and skills that will enhance your overall cycling experience.

Screening Questions

Height: _____ Inseam: _____

Type of cycling (Check types that you are interested in)

_____ Recreational: Paved trails, streets

_____ Recreational: Off-road, dirt trails

_____ Transportation/city commuting
